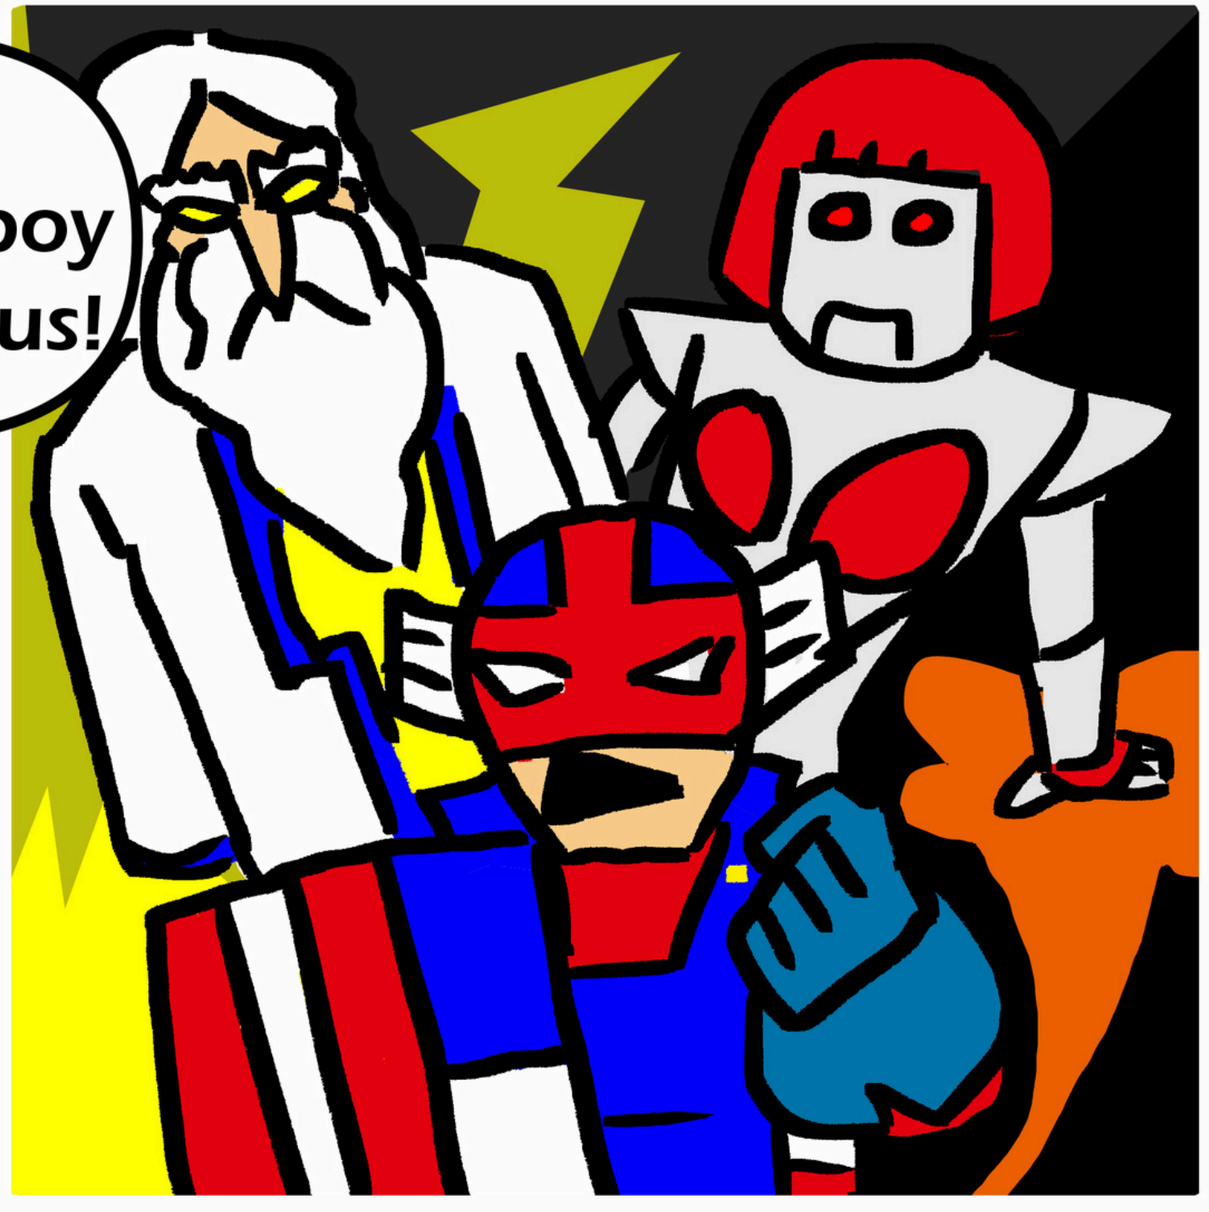
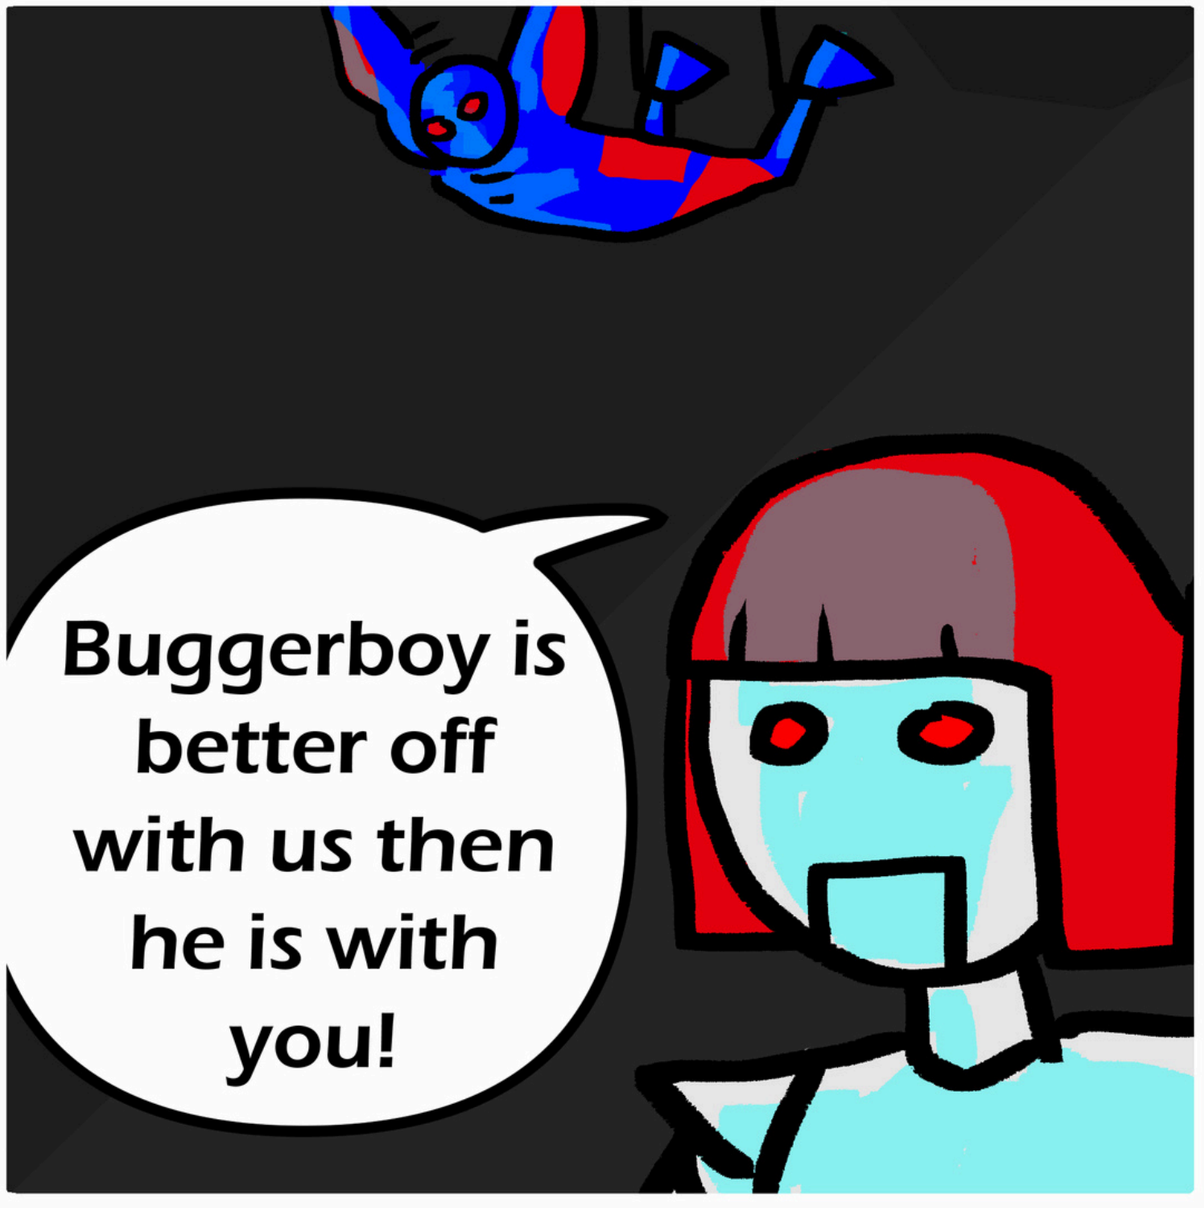
Give Buggerboy back to us!
BOOM!



One does not simply walk into Zony Headquarters and take Buggerboy



Buggerboy is better off with us then he is with you!

He saveth more people and prevents murders and bank robberies from an ever gorwing rogues gallery.

We are not going to take No for an answer

Who do you think you are?! We acquired Buggerboy back in 1999. Let it be known that it's Zony that has the power to do what it wants with Buggerboy

I wouldn't speak so confidently

Who are you to butt heads with me! You're just some people in tights funded by a rodent with spherical shaped ears.

We are more than that.

Oh yeah!? You and what army

You see, I might just be a some guy in spandex, but these, these are the fans.

Buggerboy taught me how to read as kid.

Buggerboy inspired me to be proud of myself, despite what people say.

Buggerboy taught me how to use great power.

To use it Responsibly. To help others, simply because it should or must be done, and because it is the right thing to do. That is what it means to be a super hero.

So, Mr. Zony Executive, I ask you, Please...

Please

Please

Return Buggerboy to the Emseeyoo

Listen, I want to congratulate you and this wonderful new stunt your'e pulling. Imagine, saying you'll keep Buggy forever only to give him back, why it's...
It certainly is.

You said it. Imagine a big outfit like Zony, using its great power to responsibly give the fans what they want. It's wonderful. Fom now on, I'm going to be a regular Zony Customer.

Thank you Madame.
